If the co-contributor is a faculty member at Skidmore, you may select his/her name from the drop-down list on the left:

The screenshot shows a user interface for selecting co-contributors. It consists of two main sections: '1st Author/Editor/Translator' and '2nd Author/Editor/Translator'. Each section has a header with an 'Actions' button. Below each header is a dropdown menu labeled 'People at Skidmore College' with a list of names. To the right of the dropdown are fields for 'First Name', 'Middle Name/Initial', and 'Last Name'. In the '1st Author' section, there is also a 'Role\*' field with the placeholder text 'If a student, what is his/her level?'. The '2nd Author' section does not have this field.

Skidmore students and non-Skidmore faculty will not appear in the drop-down list. If the co-contributor is a student or is not a faculty member at Skidmore, type the name of the individual and his/her organization in the fields:

Dates are intended to capture the time spent working on curriculum development or teaching innovation that will be delivered at a future date; the delivery of the course itself will be captured under the Scheduled Teaching Screen, where you can indicate if this was a new course preparation or a new format for an existing course. For activities

~~that are not taught in the current term, please enter the start date of the activity. This will be used to determine the reporting period for the activity.~~

~~For example, if you are preparing a course for Fall 2014, enter the start date of the course in the reporting period field.~~
