PREAMBLE

The Faculty Handbook describes the rights, rules and procedures that the Skidmore Faculty has adopted in order to govern itself fairly and effectively. These rights, rules and procedures have evolved over time in response to changing circumstances, and continue to do so. The function of this Handbook is to codify and clarify them in their current form.

The Handbook is divided into six parts:

Part One specifies faculty rights and responsibilities and has the force of contract.

Part Two describes the faculty governance system, including Faculty Meeting by-laws, the function and membership of faculty committees, and academic policies.

Part Three describes the All-College governance system, including information on All-College committees and the Skidmore College Honor Code.

Part Four describes benefits extended to the Faculty.

Part Five describes the College administration and is primarily informational in nature.

indicate that they are not institutional spokespersons. The College recognizes the right and the responsibility of faculty members to speak as members of the community on issues of public concern.

IV. ACADEMIC FREEDOM AND TENURE

The Committee on Academic Freedom and Rights (CAFR) and the CAPT have been recognized by the Board of Trustees, the President and the Faculty as representing the Faculty of Skidmore College in discussions with the President, the Vice President for Academic Affairs, and the corresponding committee of the Trustees on matters of common concern and responsibility. On questions of academic freedom and tenure, CAFR and CAPT represent the Faculty to the President, the Vice President for Academic Affairs, and to the Trustees and make recommendations for their consideration. The confidential nature of these discussions is respected by all parties taking part.

V. APPOINTMENTS TO THE FACULTY

A. Tenure-Track Appointments

Initial appointments to all ranks are made by the Vice President for Academic Affairs in consultation with the Dean of the Faculty, the Department Chair and the department concerned and (where appropriate) Program Directors. In the case of appointment as Vice President for Academic Affairs or Dean of the Faculty, the President may appoint the Vice President for Academic Affairs as well as the Dean of the Faculty at the rank of Professor with tenure, according to procedures prescribed in the Faculty Handbook, Part One, Article IX (Tenure), Section C (Eligibility), number 5, and Section E (Procedures for Granting Tenure), number 11. Full-time and shared faculty appointments to all professorial ranks shall be made for a three-year period, the first year being a probationary one. Appointments to shared positions may be made for those whose areas of expertise are substantially interchangeable. Shared appointments to the Faculty are designed to enable the College to hire and retain gifted professionals who may wish to teach less than full-time on a permanent basis. In order to fulfill the College's needs, such appointments are made when two faculty members can fulfill the responsibilities of a single position or a fraction of two positions, while allowing for flexibility between them in assigning responsibilities.

1. The appointee's department may request the Dean of the Faculty on or before February 15th of the first year to terminate his or her contract at the end of the academic year. If the Dean of the Faculty grants the request and the request is approved by the Vice President for Academic Affairs, the Dean of the Faculty shall notify the appointee of such termination in writing on or before March 1st of the first year of the appointee's contract. If the appointee begins his or her contract in mid-year (January), the date for the department's request to the Dean of the Faculty shall be May 31st, and the Dean of the Faculty must notify the appointee of termination in writing by June 15th.

The ID PPC will consist of the ID Program Director and

D. Pre-Tenure-Track Appointments

Visiting Instructor: Appointments to the position of Visiting Instructor will be made with the understanding that appointees must receive their doctorates or the equivalent terminal degree by October 15th following their second year at Skidmore in order to move onto tenure-track lines. By May 1st in the second year of service, such appointees must show evidence that the degree is or will be completed by October 15th. If this condition is met, the department shall determine whether or not the appointee should be offered a tenure-track position. Neither professional accomplishment beyond the completion of the terminal degree nor community service shall be applied as criteria in this decision. Appointees who fail to complete the degree by October 15th following their second year shall receive contracts for a third and terminal year at the College. Exceptions to this date may be granted when the Dean of the Faculty and the Vice President for Academic Affairs judge there are procedural circumstances beyond the candidate's control.

E. Non-Tenure-Track Appointments

1. The Dean of the Faculty makes all appointments to non-tenure-track positions in consultation with the Chair of the department concerned and (where appropriate) Program Directors.

Full-time and shared appointments as Library Faculty, Artists- and Writers-in-Residence, and Teaching Associates will be made initially for three years, the first year being a probationary one. The appointee's department may request the Dean of the Faculty on or before February 15th of the first year

of the first year of the appointee's contract. If the appointee begins his or her contract in mid-year (January), the date for the department's request to the Dean of the Faculty shall be May 31st, and the Dean of the Faculty must notify the appointee of the termination in writing by June 15th. An appointment that is not terminated during the first year shall remain in effect through the third year.

Full-time and shared appointments as Research Associates and Department Assistants will be made. Appointments, tenure and expertise are substantially interchangeable.

2. The following titles are currently recognized for p

- a. Library Faculty: Library faculty are full-time Assistant to Associate Librarian and to Librarian the Faculty Handbook, Part One, Article VI, S (Library Faculty), and granted according

c. Visiting Artist- or Writer-in-Residence: A Visiting Artist- or Writer-in-Residence is a full-time teaching member of the Faculty appointed for fewer than three years.

d. Visiting Professor or Librarian: A Visiting Professor or Librarian is usually a full-time member of the Faculty appointed at one of the professorial or librarian ranks for a limited time. The title reflects the possession of appropriate academic credentials.

e. Trustee Visiting Scholar: A funded position identified by the Board of Trustees to enable the College to enhance the diversity of the Faculty. Appointment to this full-time non-tenure-track position is for one year and is renewable for an additional year. Trustee Visiting Scholars may be appointed in any department with preference given to those departments and programs with the greatest need for additional staff and/or curricular enhancement. Additional Trustee Visiting Scholars may be appointed as sabbatical replacements.

f. Lecturer: A Lecturer is a full-time member of the Faculty appointed for a limited time. The title reflects the possession of appropriate academic credentials.

VI. EVALUATIVE CRITERIA FOR CONTINUED SERVICE AND ADVANCEMENT IN RANK**A. Tenure-Track Faculty**

Decisions to reappoint, promote, or tenure faculty members at Skidmore are based on the quality of their credentials in three areas: performance as teachers, achievement as scholars or artists, and contribution to the welfare of the college community beyond the classroom. Teaching of high quality is paramount, the primary criterion for retention or advancement; no degree of excellence in scholarship or artistic achievement, no record of unusual productivity will compensate for unsatisfactory teaching. Yet high-quality teaching is but one of three criteria, and alone will not suffice. Skidmore seeks to develop and retain first-rate teacher-scholars whose professional achievements beyond teaching demonstrate a will and

practice in applied fields, and work that reorganizes existing information in creative ways or interprets it for students and non-specialists, be they colleagues or laypersons. Evidence indicative of significant achievement might include not only books, monographs, and articles published in recognized scholarly journals, but also unpublished manuscripts, drafts, and work in progress. Evaluations of scholarly achievement in departments in which professional activities peculiar to a discipline complement or nurture scholarship will be made on the basis of clear written agreements between these departments, the Dean of the Faculty, and the CAPT as to what constitutes appropriate evidence. Such activities might include grants, fellowships or other juried awards, and participation in professional associations.

COMMUNITY SERVICE: Service to the college community goes beyond the classroom (see article 13.2(ae2.5(ns rt)4.1

standards of the Library profession; facilitating access to information resources beyond the Library walls; and interpreting the Library's collections and wider information universe through reference service, printed guides, and bibliographic instruction. This mission requires that Library faculty be both educators/scholars and administrators.

The following criteria encompass both the scholarly and administrative nature of librarianship and provide the basis for the evaluation of candidates for reappointment and promotion.

Library faculty must demonstrate mastery, creativity

may pursue the matter through any of several channels (Department Chair, Dean of the Faculty, Vice President for Academic Affairs, CAFR, etc.) that seem appropriate to the particular case.

5. Faculty rights are also embodied in the procedures for reappointment and tenure consideration.

VIII. REAPPOINTMENT

A. Reappointment of Full-Time Tenure-Track and Library Faculty in Professorial Ranks

Each department in the College shall follow its established procedures to evaluate candidates for reappointment. If candidates have taught in an interdisciplinary program, or in a department other than the one in which they hold an appointment, the procedures must ensure a mechanism for obtaining information about their performance in this other department or program. The Chair will file these procedures with the Dean of the Faculty and make them available to the candidate well in advance of the evaluation. These procedures must be in accordance with the principles of academic freedom and must ensure that the standards for continued service are considered.

1. Second Year

a. At the end of the appointee's second year, the department shall determine whether or not it regards the appointee as a candidate for reappointment according to departmental procedures and the evaluative criteria set forth in Part One, Article VI, Section A, with particular emphasis on teaching effectiveness. The Department shall inform the Dean of the Faculty of its decision on or before May 31st of that year. In the case of proportional appointments (see Part One, Article V, Section C), each program and/or department involved shall inform the Dean of the Faculty of its decision on or before May 31st of that year.

b. By June 15th of the appointee's second year, the Dean of the Faculty shall remind appointees not regarded as candidates for reappointment that their service terminates at the end of their third academic year.

c. Candidates for reappointment shall have access to all written materials immediately following notification of the Dean of the Faculty's decision. These materials may not be photocopied.

d. Reviews

i. If the appointee believes that the decision against reappointment was made in violation of academic freedom and rights or was procedurally inadequate, the CAFR, upon petition by the appointee, will review the allegations and report to the President.

ii. If the appointee believes that the decision against reappointment was based on inadequate consideration of the standards for continued service, the Dean of the Faculty may review the evaluation.

iii. In either (i) or (ii), the result of a finding in favor of the appointee will be to return to the department for reconsideration.

iv. In a case where the disagreement between the department and the Dean of the Faculty cannot be resolved, the CAPT will review the candidate's file and make a recommendation to the Vice President for Academic Affairs. This recommendation will be made on or before September 30.

v. The Vice President for Academic Affairs shall make the decision to accept or reject recommendations in all cases presented. The decision on the candidates shall be announced as soon as possible to the departments concerned, but in no case later than October 15.

2. Third Year

a. An appointee considered by the department to be a candidate for reappointment at the end of the second year will be evaluated in the third year according to department procedures. The

department must submit its recommendation, positive or negative, with supporting evidence to the Dean of the Faculty on or before January 15th of the appointee's third year. This evidence must include a cover letter from the Chair and letters from full-time faculty and those holding shared appointments in the department concerned (in the ranks defined in Part One, Article V [Appointments to the Faculty], Sections A [Tenure-Track Appointments] and E [Non-Tenure-Track Appointments], 2b. [Artist- or Writer-in-Residence]) who are in at least their third year of full-time service at Skidmore, and (where appropriate) Program Directors.

The department must present clear and decisive evidence concerning the individual's professional quality and the department's need for the candidate's particular abilities in its projected programs.

For tenure-track faculty appointments that are 100 percent in ID programs, supporting evidence sent to the Dean of the Faculty must include a cover letter from the Director (or ID PPC Chair if the Director is a candidate) and letters from faculty on the ID Program Personnel Committee and (where appropriate) Directors of other programs or Chairs of departments. The program must also demonstrate need and the candidate's professional quality according to guidelines described for departments in paragraph two above.

For proportional tenure-track faculty appointments that are shared between two departments, a department and an ID program or two ID programs, supporting evidence sent to the Dean of the Faculty must include a cover letter from both Department Chairs/Program Directors and letters from faculty on the ID Program Personnel Committee, the department and (where appropriate) Directors of other programs or Chairs of departments. The departments and programs sharing the appointment must also demonstrate need and the candidate's professional quality according to guidelines described for departments in paragraph two above.

b. The Dean of the Faculty must, on or before February 15th,³ recommend to the Vice President for Academic Affairs either a further three-year contract or termination of the individual's service. The Dean of the Faculty shall base this recommendation on the evidence submitted by the candidate's department and on the standards of excellence which the Dean maintains for the Faculty as a whole.

c. The Dean of the Faculty will report reappointment recommendations to the CAPT on or before February 15th.⁴

d. If the recommendations of the department and the Dean of the Faculty differ, the CAPT will review the candidate's file and make a third recommendation to the Vice President for Academic Affairs. This recommendation will be made on or before February 25th.⁵

e. The Vice President for Academic Affairs shall make the decision to accept or reject recommendations in all cases presented. The decision on the candidates shall be announced as soon as possible to the departments concerned. The Dean of the Faculty shall offer further three-year contracts to successful reappointment candidates on or before March 1st.

may, at his or her option, assume a full-time faculty position at the end of the other partner's terminal year. Should he or she choose not to do so, the position will no longer be tenure-track.

h. Candidates for reappointment shall have access to all written materials immediately following notification of the Vice President for Academic Affairs' decision. These materials may not be photocopied.

i. The Vice President for Academic Affairs shall convey the result of a review to the candidate on or before May 1st.

B. Reappointment of Librarians

During the second and third year of service, Library faculty will be evaluated according to the same principles and procedures described herein for tenure-track faculty. In the sixth year, the evaluation process will include at least one faculty member from another department who indicates his or her willingness to serve, chosen by the Vice President for Academic Affairs in consultation with the CAPT. For contracts beyond the sixth year, the reappointment procedure is that of the third year, with the department making a recommendation to the Vice President for Academic Affairs. In the case of a disagreement between the department and the Vice President for Academic Affairs, the CAPT will provide an additional recommendation for the President's consideration. If the candidate is denied reappointment, he or she may appeal if she or he receives the support of two-thirds of the faculty who participated in the initial review (including the candidate) or of the Vice President for Academic Affairs. Appeals in the sixth year will be referred to the CAPT for an additional recommendation to the President.

After the initial six years, Library faculty who are reappointed will receive contracts of alternating lengths of four and three years with reviews in the penultimate year of each contract. If the review is negative, the faculty member will be given a probationary contract, the minimal length of which will be one year. The length of the probationary contract can be extended by a recommendation of the Chair to the Vice President for Academic Affairs for a period not to exceed three years. Those on probationary contracts exceeding one year will receive annual reviews by the Chair and a full departmental review in the fall of the final year of the contract. Those on single year probationary contracts will be reviewed by the department in the fall of their probationary year. If the departmental recommendation concurs and the Vice President for Academic Affairs concurs, the department member receives a terminal year. If the department and the Vice President for Academic Affairs disagree, the case is sent to the CAPT for a third recommendation to the President.

C. Reappointment of Artists- and Writers-in-Residence

During the second and third years (third year only in the case of shared appointments) of service, Artists-in-Residence and Writers-in-Residence will be evaluated according to the principles and procedures described in the Faculty Handbook, Part One, Article VIII (Reappointment), Section A (Reappointment of Full-Time Tenure-Track and Library Faculty to Professorial Ranks), except as noted below. In this process, each department shall follow its established procedures to evaluate candidates for reappointment. The Chair will file these procedures with the Dean of the Faculty and make them available to the candidate well in advance of the evaluation. These procedures must be in accordance with the principles of academic freedom and must ensure that the standards for continued service are considered.

After the initial three years, Artists-in-Residence and Writers-in-Residence who are reappointed will receive an additional contract of three years, renewable, with a review in the third year. If the review is negative and the Dean of the Faculty concurs, the department member receives a terminal contract for a fourth year. In the case of a disagreement between the department and the Dean of the Faculty, the Vice President for Academic Affairs shall convene an ad hoc group of three current Department Chairs (excluding the Chair of the candidate's department), which shall provide a third recommendation. The

1. For faculty members, the service year coincides with the academic year. The academic year begins at the start of the fall term and ends with the close of the spring term. For each academic year that a faculty member holds a full-time appointment, that person will be considered to have given a year of service. Other than those Visiting Instructors described above, faculty members who move from "visiting" to "tenure-track" status may choose, in consultation with the Dean of the Faculty and the CAPT, to have or not to have the "visiting" years count toward tenure; the decision must be specified in the letter of appointment to the tenure-track position.

2. A faculty member whose initial appointment begins in the middle of the academic year has the option of having the first semester of service count as one full service year or not count at all. This

2. The CAPT shall annually disseminate its calendar, its operating code, and the operating codes of the Tenure Appeal Committee to all faculty.
3. The CAPT has the responsibility of securing information with respect to the candidate's teaching competence, professional accomplishment, and service to the academic community. Sources of this information include:
 - a. Full-time faculty and those holding shared appointments in the department concerned (in the ranks defined in Part One [Faculty Rights and Responsibilities], Article V [Appointments to the Faculty], Sections A [Tenure-Track Appointments] and E [Non-Tenure-Track Appointments], number 2b [Artist- or Writer-in-Residence]) who are in at least their third year of full-time service at Skidmore;
 - b. Department Chair;
 - c. Program Directors (where appropriate);
 - d. For tenure-track faculty appointments that are 100 percent in ID programs, the CAPT will secure information concerning a candidate in an ID program from all members of the ID Program Personnel Committee. The Program Director (or PPC Chair if the Director is the candidate) will represent the Program position with regard to tenure.
 - e. For proportional tenure-track faculty appointments that are shared between two departments, a department and an ID program or two ID programs, the CAPT will secure information concerning a candidate from all members of the ID Program Personnel Committee(s) and from all faculty in the department(s) involved. The Department Chair will represent the department's position and the Program Director(s) (or PPC Chair if the Director is the candidate) will represent the Program(s) position.
 - f. Sources suggested by the candidate under consideration including Administrative Officers, the Coordinator, or Director of a program or Chair of a department in case the candidate has taught in an interdisciplinary program or department other than the one in which he or she holds an appointment;

Office (or the CAPT Reading Room) as required by law. Within seven days of the date stipulated by the annual CAPT calendar for receipt of all letters, the Chair of the CAPT will give the candidate a list of names of those who have written unsolicited letters about the candidate.

5. The following procedures should be observed:

a. The Chair shall inform the candidate well in advance of the tenure consideration what procedures will be employed in reaching a departmental decision.

b. The Chair will advise the candidate in creating a file of materials documenting the candidate's qualifications for tenure.

c. Individuals writing letters of evaluation for the candidate shall clearly state whether they do or do not recommend tenure, and why, according to the criteria for continued service (as found in Part One [Faculty Rights and Responsibilities], Article VI [Evaluative Criteria for Continued Service and Advancement in Rank], Section A [Tenure-Track Faculty]).

d. The Chair, in the letter of evaluation for the candidate, shall clearly state the procedures employed in reaching a departmental recommendation. The Chair shall clearly state whether the department does or does not recommend for tenure, and why, according to the criteria for continued service. Furthermore, the Chair shall clearly state the extent to which a candidate's particular abilities will continue to be needed, as far as the department's future can be projected.

6. After conducting its deliberations, the CAPT reports its recommendations to the President, the Vice President for Academic Affairs, and the Dean of the Faculty. The Vice President for Academic Affairs then consults with the Dean of the Faculty. In the event of a disagreement between the Vice President for Academic Affairs and the CAPT, the Vice President for Academic Affairs and the Dean of the Faculty meet with the CAPT to offer detailed and compelling reasons for such disagreement. The Vice President for Academic Affairs then makes a recommendation to the President, and notifies the CAPT of his or her recommendation. In the rare instance in which the President does not concur with the recommendations of the CAPT, the President meets with the CAPT to offer detailed and compelling reasons for such disagreement. Finally, the President's recommendations are reported to the Academic Affairs Committee (AAC) of the Board of Trustees, and the CAPT informs the AAC of the recommendations it made to the President.

7. Notice of the Board of Trustees' decision regarding tenure must be given on or before March 1st of the appropriate year. Tenure status is effective immediately.

8. An individual denied recommendation for tenure may ask for a hearing before the CAFR provided such hearing is based on an alleged violation of academic freedom and/or rights; or may file a complaint following the procedures set forth in Part Six, Article VII [Procedures for Resolving Complaints of Harassment or Discrimination against Faculty Members], provided such a complaint is based on alleged harassment or discrimination in violation of the College's policies as outlined in Part Six.

9. Candidates for tenure (successful or unsuccessful) shall have access to all written materials in the tenure file immediately after the Dean of the Faculty has made the Vice President for Academic Affairs' recommendation known to the candidate. These materials may not be photocopied.

10. Any member of the Faculty who is considered for tenure by the CAPT and the Administration shall be granted an additional but terminal year in the event that tenure is not granted. Similarly, an additional terminal year will be granted to any member of the Faculty who is eligible to stand for tenure but elects not to do so.

11. A candidate for either the Vice President for Academic Affairs or for the Dean of the Faculty may be evaluated for an immediate award of tenure by the following procedure. The President will present the credentials of the candidate for Vice President for Academic Affairs and evidence for both appointment as Professor and awarding of tenure to the academic department(s) appropriate to the

G. Appeal of Negative Tenure Decisions

1. If the Tenure Review Board determines that a tenure case requires reconsideration, the three members of the Tenure Review Board will sit together with the six members of the CAPT to reconsider the case. The Tenure Appeal Committee will have access to the written information which the CAPT had in its original deliberations and any additional material specifically pertaining to the area or areas of consideration deemed inadequate by the TRB. The deadline for submission of

In the case of a promotion candidate appointed to an ID Program, the ID Program Director shall perform those functions normally assumed by a Department Chair, and faculty on the ID PPC shall be consulted and shall write letters. All these letters shall be forwarded to the CAPT.

h. Promotion files shall include the following:

i. an updated CV, which makes clear what has been achieved since the last promotion.

ii. all scholarly, creative or professional materials produced since the last promotion; candidates may add some earlier materials for purposes of context or to show continued growth. Candidates may wish to seek letters from Skidmore colleagues outside their department qualified to speak to their professional accomplishment. Candidates may also wish to include a statement about achievements and works in progress.

iii. the ten most recent consecutive semesters of teaching evaluations. For purposes of context, the candidate may wish to include other evaluations. The candidate shall also add copies of syllabi, and may include assignments and handouts. The candidate may also wish to append a statement about teaching goals and philosophy. The file may include peer evaluations of teaching.

iv. a cover sheet showing courses taught, sabbatical leaves, and any course releases over the previous six years.

v. service credentials presented within the context of the broad statements about service in Part One (Faculty Rights and Responsibilities), Article VI (Evaluative Criteria for Continued Service and Advancement in Rank), Section A (Tenure Track Faculty, COMMUNITY SERVICE). The candidate may wish to provide relevant documents and seek letters from committee Chairs or members who can speak about the quality and extent of service.

i. Candidates for promotion may solicit letters on their behalf from reviewers familiar with their credentials from outside the College. Such letters may come directly to the CAPT, or go to the Department Chair and then to the CAPT as part of the candidate's dossier. Letters mandated by the department must also be transmitted to the CAPT.

j. After conducting its deliberations, the CAPT reports its recommendations to the President, the Vice President for Academic Affairs, and the Dean of the Faculty. The Vice President for Academic Affairs then consults with the Dean of the Faculty. XII. LEAVES OF ABSENCE

A. Sabbatical Leaves of Absence

1. Purpose

Sabbatical leaves of absence are granted by the Board of Trustees upon the recommendation of the Vice President for Academic Affairs to members of the Faculty to provide professional experience that cannot be secured during the academic recesses. Sabbatical leaves may be granted for the purpose of advanced study, work on research and creative projects, and for improvement of teaching skills (and for improvement of skills related to librarianship), with the expectation that in each case the College will benefit.

2. Eligibility

All tenured full-time members of the Faculty (and Library faculty and Artists-in-Residence who have been reappointed) who have served Skidmore College full-time for six consecutive years are eligible to apply.

a. The required service time may include up to one year's leave without pay, if so stated in the letter(s) granting such leave(s). If a faculty member serves full time for more than six consecutive years, the additional time will shorten the required service time for later sabbatical leaves if the delay in taking a sabbatical leave is requested by the Dean of the Faculty for administrative reasons and is so stipulated in writing.

b. Full-time members of the Faculty who are in their sixth year and are candidates for tenure (and full-time members of the Library faculty and Artists-in-Residence who are in their sixth year and are candidates for reappointment) may apply for sabbatical leave. However, final approval of the sabbatical leave request is contingent upon the granting of tenure or, in the case of Library faculty and Artists-in-Residence, reappointment.

3. Procedures

a. Application

i. Application should be made in triplicate on forms available 9(1)3.9(n)-1.5()-6491 .0981 Trough491 .0981

The Dean of the Faculty's Office will transmit one copy to the Chair of the Faculty Development Committee.

ii. Applications will be considered jointly by the Dean of the Faculty and the Faculty Development Committee. The Vice President for Academic Affairs makes recommendations to the Board of Trustees for final approval.

iii. Applicants and their departmental Chairs will be notified by March 1st of the academic year preceding the leave.

c. Reporting

i. Major changes in objectives after the leave has been granted must be reported and may be made only by agreement with the Dean of the Faculty. Petition for such change must be made in writing.

ii. Upon completion of the leave, a final report shall be sent to the Dean of the Faculty, and the Chair of the department, not later than April 15th in the case of first-semester leaves and November 15th in the case of second-semester or full-year leaves.

iii. Failure to file a satisfactory sabbatical report will affect eligibility for future sabbatical leaves.

4. Criteria for Evaluating Proposals

In evaluating applications, the following will be considered:

- a. the worth of the project;
- b. length of service without leave;
- c. ease of departmental arrangements;
- d. financial condition of the College;
- e. benefit to the individual and the College;
- f. the individual's fulfillment of obligations regarding any previous sabbaticals as outlined in paragraph 3, c, iii above.

FACULTY HANDBOOK

PART TWO

FACULTY GOVERNANCE

Article I. The Faculty Meeting

A. Faculty governance is carried out through decisions made at Faculty Meetings and through a system of committees of the Faculty.

1. The Vice President for Academic Affairs;
2. The Dean of the Faculty;
3. The Chairperson of the Faculty Executive Committee;
4. A member of the Faculty se

4. The speaker should limit the length of remarks to a reasonable length (observing the guideline of two minutes).
 5. A person may speak once on a motion and may speak a second time only after all other persons wishing to speak have spoken once. The only exception is that the maker of the motion has the privilege to be the final speaker before the vote.
 6. The speaker should have the floor, but should not assume the chair.
 7. The speaker shall not be interrupted except for the following:
 - a. Point of order -- raised to question any proceeding or motion that a member believes is in violation of the rules. The Chair rules on the validity of the point and the ruling may be appealed. An appeal must have a second. The decision of the Chair is sustained by a majority or tie vote.
 - b. Point of personal privilege -- raised concerning the rights, reputation, comfort, safety or conduct of a member.
 - c. Point of information -- a request of the Chair for an answer concerning the background or content of a motion vote.
 - d. Parliamentary Inquiry -- a request of the Chair for information concerning parliamentary law. The Chair may refer this to the parliamentarian.
 - e. Permission to withdraw a motion.
 - f. Call for a division of the assembly to retake a vote.
 8. When a motion is presented, it is customary that there be a period of questions and answers to clarify the motion before it is more formally debated. Explanatory comments and clarification at this time are not considered speaking to a motion. At any time, the Faculty may entertain a motion to consider a motion, subject, or problem informally (see V.C.1).
- B. Committee of the Whole. This device enables the Faculty Meeting to discuss an issue under the less stringent rules of a committee.
1. The Faculty Meeting may entertain a motion to form a Committee of the Whole.
 2. The Chairperson of the Faculty Meeting shall appoint the Chairperson of the Committee of the Whole.
 3. The Faculty Meeting will set a time limit on discussion (e.g., twenty minutes).
 4. The Chairperson of the Committee of the Whole may speak to the subject at hand.
 5. Other persons may speak only when recognized by the Chair.
 6. A person may speak more than once before all others wishing to speak have done so, if recognized by the Chair.
 7. All votes are "committee votes" and are not binding on the debate.
 8. At the completion of its deliberation, the Committee of the Whole will entertain a motion to "rise and report."

C. Informal Consideration. This device permits the Faculty Meeting to set aside the formal rules of debate.

Notes:

1. Every motion in this column has the effect of suspending some rule or established right of deliberative assemblies and therefore requires a two-thirds vote, unless a special rule to the contrary is adopted.
2. Undebatable if made when another question is before the assembly.
3. An Amendment may be either 1. By "adding"; or 2. By "striking out" words or paragraphs; or 3. By "striking out certain words and inserting others"; or 4. By "substituting" a different motion on the same subject; or 5. By "dividing the question" into two or more questions, as specified by the mover, so as to get a separate vote on any particular point or points.
4. An Appeal is undebatable only when relating to indecorum, or to transgressions of the rules of speaking, or to the priority of business, or when made while the Previous Question is pending. When debatable, only one speech from each member is permitted. On a tie vote the decision of the Chair is sustained.
5. An affirmative vote on this motion cannot be reconsidered.
6. The objection can only be made when the question is first introduced, before debate.
7. Allows only limited debate upon the propriety of the postponement.
8. The Previous Question, if adopted, cuts off debate and brings the assembly to a vote on the pending question only, except where the pending motion is an amendment or a motion to commit, when it also applies to the question to be amended or committed.
9. Can be moved and entered on the record when another has the floor, but cannot interrupt business then before the assembly; must be made on the day, or the day after, the original vote was taken, and by one who voted with the prevailing side.

II. COMMITTEES OF THE FACULTY

A. Voting Rights and Eligibility: Only full-time members of the teaching or library faculty (including those on phased employment) eligible to vote at Faculty Meetings (see Part One [Faculty Rights and Responsibilities], Article XX [Faculty Governance]) may vote for, or serve as, faculty representatives on elective or appointed committees; administrators with faculty status are not eligible. Voting members of the Faculty who are on leave of absence may vote in faculty committee elections, but are not expected to serve on committees while on leave. It is understood that ballots for committee elections will be distributed only through normal College channels and that deadlines for return of ballots will not be extended for faculty on leave. The faculty members of the following committees are nominated and elected by the Faculty: FEC, IPPC, CAPT, CEPP, Curriculum, Tenure Review Board, CAFR, Honors Council, Faculty Development, Master of Arts in Liberal Studies, UWW, Athletic Council, and Faculty Advisory Board. Faculty representatives on appointive committees of the Faculty are appointed by the FEC from those indicating a willingness to serve; the FEC also participates in the appointment of faculty representatives to various all-College committees.

There is also a Committee of Committees composed of the faculty members of CAFR, CAPT, CEPP, FEC, Curriculum Committee, FDC, IPPC and any current ad hoc committees whose presence FEC believes would be helpful to the committee. FEC convenes the Committee of Committees twice a year, or at the request of the faculty members of any constituent committee.

Replacements on an elected committee for longer than an academic year will normally be chosen by special election. Replacements for an academic year or less than an academic year will normally be appointed by FEC from the list of runners-up in the most recent election. Replacements on appointive committees will be made by FEC from among those willing to serve.

B. Election Schedule. Elections normally shall be scheduled following the Operating Code of the Faculty Executive Committee. The FEC shall publish its calendar annually at the beginning of the Fall semester.

C. Committee Chairs. Members of committees are requested to elect Chairs by the end of each academic year for the following year and to inform the Chair of the FEC and the Dean of the Faculty of the results of these elections.

D. Operating Code and Minutes. Each committee is expected to keep on file an operating code and to provide new members and FEC with a copy. All committees keep complete minutes, including records of actions taken.

E. Annual Reports. A copy of the committee's annual report is to be sent to the Chair of the FEC and to the Dean of the Faculty at the end of the academic year. In addition, the reports of elected committees are to be sent to the Faculty as a whole.

Skidmore College's equal opportunity and diversity policies further apply to the recruitment and admission of its students, to the administration of its educational policies and programs, and to the recruitment and retention of its faculty and staff. They apply, in addition, to all individuals and organizations associated with, or doing business with or for, Skidmore College.

Part Six of this Handbook is subject to periodic review, evaluation, and modification (see Article IV, A). The policies and philosophy, however, constitute a firm commitment to the principles of equal opportunity for all members of the college.

II. ACADEMIC FREEDOM

In the context of the policies outlined in Part Six, the College reaffirms its commitment to its long tradition of supporting the academic and personal freedom of all members of the community. In particular, the policy against harassment shall not be applied in a manner that contradicts the principle of academic freedom: faculty and other members of the community are entitled to freedom in research, and faculty members are entitled to freedom in the classroom to pursue controversial matters related to their disciplines. However, this right to teach controversial material entails the responsibility that it be carried out in a way that would be judged by peers as not violating the College's anti-harassment policy. (For the College's complete statement on Academic Freedom, see Part One, Article III of this Handbook.)

⁷ Gender identity and expression, while protected under Skidmore College policy, are not currently protected under federal, state, or local laws.

III. SUMMARY STATEMENTS OF POLICY

A. Policy on Equal Employment Opportunity

Skidmore College affirms that its community members have the right to be free from acts of unlawful discrimination. The following statement of policy on equal employment opportunity affirms Skidmore College's commitment to the principle of equal employment opportunity in education and employment:

Equal Employment Opportunity Policy

Skidmore College is committed to being an inclusive campus community and an Equal Opportunity Employer. The College therefore prohibits discrimination against any individual

based on their individual accomplishments. All employees are expected to maintain professional relationships with all College students, to act in accordance with standards of professional conduct, and to avoid conflict of interest, favoritism, bias, or creation of a hostile environment for any student of the

V. PROCEDURES REGARDING EQUAL EMPLOYMENT OPPORTUNITY AND DIVERSITY

This article establishes procedures for implementing the policies regarding Equal Employment Opportunity and Diversity at Skidmore College.

A. Scope

1. Educational Environment

In accordance with its policy on equal opportunity, Skidmore College prohibits discrimination against any students on the basis of race, color, religion, gender, age, national or ethnic origin, physical or mental disability, veteran status, marital status, sexual orientation, gender identity or expression,¹⁰ or

personal and/or professional contacts in an effort to broaden the diversity of candidate pools for all positions. Such outreach should occur on a regular basis, even in the absence of an immediate position vacancy.

f. All applicants for academic and nonacademic position vacancies will receive an acknowledgment of their interest in employment at Skidmore through a postcard, e-mail, or letter. Those applicants who file their applications online will receive a confirmation number as well as an on-screen acknowledgment.

g. Before any candidate in an academic search is invited for an interview (whether on or off campus), the office or department responsible for hiring will contact the ADEWD and the DOF, DSP, or VPAA, as appropriate, to review the applicant pool. If the pool is not sufficiently inclusive, the DOF, DSP, or VPAA and the ADEWD may recommend further steps.

h. At the conclusion of the interviewing phase, the office or department responsible for hiring will contact the ADEWD and the appropriate Dean or Vice President to discuss the candidates interviewed. No oral or written commitment may be made to a candidate until the ADEWD, and, in the case of academic searches, the DOF, DSP, or VPAA have agreed that appropriate equal employment opportunity procedures have been followed. If such policies and procedures have been violated, the search may be deferred.

B. Administration: Roles and Responsibilities

1. Members of President's Cabinet are responsible for the coordination of institutional efforts and resources to advance the strategic goals of increasing and retaining a diverse faculty and staff and of fostering an inclusive campus climate.

2. The ADEWD, in consultation with the DOF, the VPAA, and others as appropriate, is charged with providing leadership in recommending and implementing strategies to secure and maintain a diverse campus community of faculty and staff; coordinating institution-wide equal opportunity and diversity employment efforts, including equal employment opportunity strategies and activity on all searches; planning and initiating all education for faculty and staff on matters of equal employment opportunity, unlawful discrimination, and harassment; and coordinating this activity with related student education provided by Student Affairs staff. The ADEWD is responsible for coordinating and disseminating to the community an annual report on the state of diversity at the College.

3. The ADEWD provides counsel to the President and President's Cabinet on issues of equal employment opportunity, diversity, and anti-harassment. The ADEWD communicates as appropriate with the President, members of President's Cabinet, the Associate Vice President for Finance and Administration and Director of Human Resources, and members of Academic Staff. The ADEWD is also available for consultation with any other member of the Skidmore community.

VI. ANTI-HARASSMENT POLICY

Harassment is unlawful and therefore prohibited by Skidmore College.

The College is committed to maintaining a positive learning and working environment for all of its students and employees. In accordance with applicable laws, including Title VII of the Civil Rights Act of 1964 as amended, Title IX of the Education Amendments of 1972, the Pregnancy Discrimination Act of 1978, the Americans with Disabilities Act, the Civil Rights Act of 1991, and applicable federal, state, or local laws prohibiting sexual assault and abuse, the College prohibits harassment (including sexual harassment) of any individual or group of its students, prospective students, employees, or candidates for employment on the basis of race, color, religion, age, national or ethnic origin, physical or mental

disability, veteran status, marital status, sex, sexual orientation, gender identity or expression¹¹, or any other category protected by applicable federal, state, or local laws. These policies apply to all persons affiliated with the College including administrators, faculty members, staff members, and students.

A. Harassment Defined

Harassment on the basis of race, color, religion, gender, age, national or ethnic origin, physical or mental disability, veteran status, marital status, sexual orientation, gender identity or expression¹¹, or any other

submission to the conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic advancement (*quid pro quo* harassment);

submission to, or rejection of, the conduct is used as the basis for employment or academic decisions affecting the individual (*quid pro quo* harassment); or

the conduct has the purpose or effect of unreasonably interfering with an employee's or student's work, professional or educational performance, productivity, physical security, participation in living arrangements, extracurricular activities, academic or career opportunities, services or benefits—or of creating an intimidating, hostile, or offensive working or learning environment.

This definition includes verbal, non-verbal, and physical harassment. The following examples of sexual harassment are intended to be instructive but not inclusive:

Verbal harassment may take oral or written form and may include profanity, sexual jokes or teasing, threats, whistling, cat calls, or repeated unwelcome requests for a date.

Non-verbal harassment may include staring, blowing kisses, winking, or displaying sexually suggestive material in the work area, in the classroom, in lockers, or as screen savers on one's

VII. PROCEDURES FOR RESOLVING COMPLAINTS OF HARASSMENT OR DISCRIMINATION AGAINST FACULTY MEMBERS

Faculty members, staff, and students should report any instances they believe to constitute harassment or discrimination. Disclosing such incidents provides the parties an opportunity for consultation with appropriate College personnel and the opportunity to resolve complaints promptly and effectively.

The procedures outlined in Article VII apply to all situations where a faculty member is accused of harassment or discrimination. Allegations against students (including part-time and full-time students who are also employees) will be resolved according to procedures outlined in the Student Handbook. Allegations against staff members (including administrators) will be resolved according to procedures outlined in the Employee Handbook.

Using the procedures outlined below, any faculty member, staff member or student who believes he or she is the victim of harassment by a member of the faculty should report the matter to one of the individuals specified in B of Article VII, all of whom are able to assist those having a harassment concern. These individuals are available to provide information about the College's harassment policy, the resolution process that the College has adopted, and appropriate actions that might be taken.

A. Definition of Terms

In the process that follows, the following terms are used:

Complainant: the individual filing an informal or formal complaint of discrimination or harassment.

Respondent: the individual alleged to be responsible for a discriminatory or harassing action.

Appellant: the individual appealing the disposition of a complaint (either the complainant or respondent).

Inquiry: the process used in the informal stage of a complaint.

Investigation: the process used in the formal stage of a complaint.

Appropriate Official: the complainant's or respondent's Department Chair (or, in the case of faculty with interdisciplinary appointments, Program Director), the Academic Dean, the VPAA, any other division head, or the Associate Vice President for Finance and Administration and Director of Human Resources. If the appropriate official has a conflict of interest, the Associate Vice President for Finance and Administration and Director of Human Resources will designate a replacement.

B. Reporting Suspected Harassment and Discrimination

Who should report? Any faculty member, staff member, student, or former student who believes that he/she has been discriminated against or harassed by a faculty member should report such instances to the appropriate official.

When to report. A report must be made to the College within 60¹² days of the alleged incident. A formal complaint must be filed in writing within 10 work days after an informal inquiry has been completed or within 10 work days of the conclusion of the mediation process (see C below). Federal regulations require that a complaint be filed with the appropriate agencies within 180 days of the initial incident; New York State requires that a complaint be filed within one year following the date of the alleged incident.

¹² In the case of a student bringing a complaint against a faculty member who teaches or advises that student, or who supervises that student's research or other academic work, this deadline may be extended to 60 days after the end of the semester during which such faculty/student relationship exists.

a. Complainant's Rights

The complainant will have the right to

have a representative (not an attorney) present as an observer during the complaint process;

be granted confidentiality throughout the process (as described in B above);

withdraw the complaint at any time during the process (with the understanding that the College may be required to pursue the issue);

review and sign his/her own statement and receive a copy;

review the ADEWD's summary, which indicates whether the alleged misconduct was found to violate College policy;

file the complaint with a federal, state, or local agency designated to hear/investigate EEO complaints;

request mediation; and to

have a meeting with the ADEWD after the informal inquiry and, if the complaint proceeds, after the formal investigation.

The complainant will not have the right to

have an attorney present;

use any mechanical device to record the proceedings (in case of disability, the representative may be delegated to take notes);

ask questions of the respondent or witness(es);

identify the penalty or corrective action for the respondent if that person is found to have violated a college policy;

review the complete complaint file and associated documents (e.g., witnesses' statements); nor to

receive a copy of the complete complaint file.

b. Respondent's Rights

Once a complaint is received, the ADEWD will meet with the respondent to inform him/her of the complaint. The respondent will also be told about his/her rights under the College's complaint procedures.

The respondent will have the right to

have a representative (not an attorney) present as an observer during the complaint process;

receive a copy of the written complaint;

have a representative (not an attorney) present as an observer during the complaint process; be granted confidentiality throughout the process (as described in B above); and to review and sign their own statements and receive copies.

Witnesses to the complaint (other than the complainant or respondent) will not have the right to

have an attorney present;
use any mechanical device to record the proceedings (in case of disability, the representative may be delegated to take notes);
ask questions of the complainant or respondent;
review the complete complaint file and all associated documents; nor to
receive a copy of the complete complaint file.

Depending on the nature of the complaint, mediation may be offered. If the complainant accepts this approach, the respondent will be encouraged to participate in the mediation process. If the parties agree to a resolution, it will be documented in an agreement. Both parties will be given a copy of the agreement, and a copy will be retained with the complaint file by the ADEWD.

E. Formal Complaint Procedures

The ADEWD will notify the complainant and the respondent in writing when the informal process is concluded. If no resolution/agreement is reached during the informal stage of the process, the parties may participate in the mediation process.

In the case of complaints by staff against faculty members, the AP will consist of two tenured faculty members selected by the ADEWD from the FAB and two staff members selected by the ADEWD from a Staff Advisory Board (SAB). The Staff Advisory Board, established by the Associate Vice President for Finance and Administration and Director of Human Resources, consists of staff members trained in issues relating to discrimination and harassment.

Faculty or staff members from the same department or office as either the complainant or the respondent may not serve on the AP. Any panelist with a conflict of interest may not serve. In addition, the

H. Legal Review

Upon completion of the investigation, the Associate Vice President for Finance and Administration and Director of Human Resources will review the complaint file with the ADEWD and determine whether the report should be forwarded for legal review to the College's attorney. In either case the ADEWD will meet with the appropriate official (relevant Dean, Vice President or Supervisor) to report the results.

I. Administrative Review

Within five work days from the final decision on the summary, findings, and conclusions, the ADEWD, along with the Associate Vice President for Finance and Administration and Director of Human Resources, will share the results with the appropriate official. The appropriate official (VPAA, DOF, DSP, or any other division head) in consultation with the Director of Human Resources, will consider the findings and determine the appropriate action(s). The Associate Vice President for Finance and Administration and Director of Human Resources will work with the appropriate official to implement the actions.

J. Disposition of Complaint

Once the written summary, findings, and conclusions have been reviewed with the appropriate official, the ADEWD will have a final interview with the complainant within three work days after the administrative review. During this interview, the ADEWD will share the summary, findings, and conclusions and issue a letter. The letter will only address the facts that were gathered and state whether any violation of the College's policies was found.

Within three work days after the administrative review, the appropriate official will meet with the respondent to outline the summary, findings, conclusions, and sanctions. All associated notes and documents developed by the appropriate official will be forwarded to Human Resources to be kept in the complaint file. All complaint files will be housed in Human Resources as legally required or as stipulated by the sanctions.

K. Outcomes

Actions in response to a complaint of discrimination or harassment may include discussion, recommendation for counseling or mentoring, monitoring of the situation, support for self-help, or mediation by third party. Formal disciplinary actions may include (but are not limited to) a letter in the personnel file for a period of time, permanent letter in the personnel file, withholding of salary increases or stipends, removal from the classroom, suspension (with or without pay) or separation from the College.

L. Appeals

A complainant may appeal based on the following criteria: 1) procedural error that might have affected the outcome of the decision; or 2) new evidence. If the complainant elects to appeal, he/she must file the appeal within 15 work days of the date of the final interview with the ADEWD.

A respondent may appeal based on the following criteria: 1) procedural error that might have affected the outcome; 2) new evidence; or 3) severity of the sanction. If the respondent elects to appeal, he/she must appeal within 15 work days from the date of the respondent's meeting with the appropriate official.

All appeals must be delivered in writing to the President, who will decide whether the appeal has merit based on the criteria listed above and who will make the final institutional decision based upon a review of the record and of the recommendations, findings, conclusions, and sanctions related to the complaint.

The President has the options of 1) denying the appeal, 2) returning the case to the ADEWD with specifications for further findings and recommendations, 3) conducting further investigation or administrative proceeding, or 4) reversing or modifying the recommendation(s).

The President will provide his or her decision in writing to the appellant, the other party to the original complaint as appropriate, the ADEWD, and the appropriate official. If the President reverses or modifies the recommendation(s), then the President will provide written reasons for the action. The President will make the decision within ten (10) work days of the President's receipt of the appeal.

VIII. ADDITIONAL EXPECTATIONS

A. Cooperation with Investigations and Hearings

All members of the Skidmore community (students, faculty, administrators, and staff) are expected to cooperate fully with inquiries and investigations pertaining to alleged incidents of harassment or discrimination. Expected cooperation includes providing full and honest disclosure of known facts, providing oral or written testimony, and providing letters, e-mails, voice messages, notebooks, gifts or other evidence in any such proceeding. Finally, cooperation includes the expectation that all parties to a complaint, inquiry, or investigation will maintain the confidentiality of the process and not attempt to influence any other party to the process.

B. Extension of Time Periods.

If circumstances warrant, the College reserves the right to extend any time periods identified in this policy.

C. Retaliatory Actions

Applicable law and College policy prohibit retaliation against any person reporting or thought to have reported harassment or discrimination. Retaliation is also prohibited against any person who is a witness or otherwise involved in a harassment or discrimination proceeding. Retaliation against any person shall be

D. False Allegations

The College will not tolerate false allegations of harassment. Complaints made in good faith that are found not to constitute harassment or discrimination will not be considered false allegations. However, any individual who knowingly, maliciously, or frivolously makes a false allegation of harassment will be subject to disciplinary action up to and including separation from the College or, in the case of a students
