

FACULTY MEETING
November 2, 2018

COMMITTEE OF THE WHOLE

In response to some concerns raised by last year's chair of FEC (Greg Gerbi), FEC wishes to sponsor a Committee of the Whole discussion of faculty service and the service cycle on Friday. Among the questions we wish to discuss are the following.

There are between roughly 150 and 200 positions for faculty on standing committees at Skidmore, and there are many additional recurring positions in the college.
