

Institutional Policy & Planning Committee (IPPC) Annual Report, 20182019

The Institutional Policy & Planning Committee advises the President with regard to strategic planning, taking a comprehensive view of significant matters facing the College. In doing so, it serves as the central deliberative body for college governance. More specifically, IPPC advises the President on all policy areas, with primary responsibility for those areas beyond the purview of faculty governance (such as budget and financial planning, benefits, environmental issues, admissions and financial aid, student affairs, and advancement). During the 2018 academic year, IPPC met 14 times. IPPC's subcommittees met to consider specific matters and brought them to the full committee. Full minutes for IPPC meetings are available at the following link: <https://www.skidmore.edu/ippc/minutes/index.php>.
