

Senate, Twenty-Fourth Session  
Meeting Minutes

Date: April 9th, 2024

Location: Murray-Aikins Dining Hall, Second Floor

C. Lowell went over an amendment made to the club charter that would potentially limit the number of clubs on campus in order to take some strain off of SGA. He said that he implemented what was voted on regarding club membership last week and proceeded to open the floor to discussion. S. Kates asked about the decision regarding audition clubs and clubs based on gender that aren't affiliated with a national organization. Lowell clarified that audition based clubs are still allowed, and clubs that are restricted by gender will now have to be open to everyone, unless associated with a national organization that restricts membership based on gender, but clubs could revise their constitution to be goal specific. There was a motion by S. Kates seconded by S. Sterling to make the "adopted" dates in the Bylaws interpreted by the SGA President, and vote on the resolution as amended.

Approved (18-0). Carried.
